General regulations:

1. Registration and Competition requirements:

All swimmers and Masters must be registered members of clubs and teams belonging to the FINA through membership in their own federation have the right to compete.

The International Swim and Masters Meet event will be staged in accordance with the rules of the Polish Swimming Federation. According to Polish Swimming Federation: Swimmers are allowed to wear knee long trousers and knee long swim suits as of age 14 – at this swim meet swimmers must be born in year 2000 or older. For further information on FINA approved swimwear, please visit www.fina.org. The swimming pool at CITYZEN__ has 8 lanes with dividing lines. The pool is 25 meters long, 20 meters wide and ranges in depth from 2.34 – 2.82 meters. The water temperature is about 28°C. The lanes are divided with water-breakable lines to suppress waves. The warm up for all swimmers is allowed up to 10 minutes prior to each session starts.

During the registration process, you may get ask to present current medical records of the registered swimmers or Masters. If no sport health record certificate can be presented, the swimmer or Master won't be able to start during this competition. For further questions of above, please contact us directly.

2. Timing and start requirements:

The swim meet will have electronic timing, in case the electronic timing does not work, additionally hand timing will take place too. Each race will be started according to the one-start-rule. (During a false start, the race continues and won't be repeated.)

Starter, Judges and Referees are provided by the organizer.

All Heats will be arranged by entry times, without regarding the age of the swimmers. During the 50m qualifying heats, the heats are arranged so that faster swimmers won't swim in the same heats. The fastest 8 swimmers in each age group will be announced to go through to the 50m Finals, plus 2 substitute swimmers for eventual drop outs. Finals will be held on Saturday and Sunday afternoon. *100m Individual Medley and 100m Freestyle registrations are accepted for every age group up to and including 2005

Please note during Race No. 63 & 64 – 400m Freestyle female/male Masters and 65 & 66- 800m Freestyle female/male we might have to limit the number of entries and consider starting 2 swimmers per lane. In this case the faster heat will start before the slower heat. Electronic time may not work and hand time will be taken.

Additionally we are having the **150 m Freestyle Sheraton Distance Cup – Open Age Category**: the preliminaries (heats no. 36 and 37) will take place on Saturday in the 2nd Session. The Finals (heats no. 36F and 37F) are scheduled for Sunday afternoon
