#### 14. Technical regulations

The competition will be introduced into series on time. Series itself will be

established based on the entry times. If you do not put the time on your entry then you will end up in the slowest serie. The organizer predicts two people on the same line during two events: 800 and 1500m Freestyle. The organizer introduces time limits for particular age categories in two events: 800 i 1500m freestyle. The organizer approves the right to correct the entry Times in two events: 800 i 1500m freestyle. The contestants who took part in the 800 and 1500m freestyle and had exceeded the limit in their age categories, will not be classified and their result will not be on the list. In the first session you can swim the individual 800 and 1500m freestyle. You cannot link those two events together. Individual 800 and 1500m freestyle can be only linked with 50m freestyle or 200m medley. During the competition the actual swimming Masters FINA and PZP regulations oblige and you can find them on the Polish Swimming Federation website.
